

Stay Alive

Pink Sweat\$

Hello, love
Where have you been? Ain't seen your face in a while
Miss your smile
That pain had me jaded but I'm all good now

Tell me I'm wrong, I'll say you're right
Tell me that I still got some space in your mind
You tell me truth, they tell me lies
You see everything that I've been tryin' to hide

Stay alive
On the ocean, floatin'
I've been swimmin' fast, back to your love
Stay alive
All real, no fake
I'll drag these chains to heaven's gate
(Ooh-ooh, ooh-ooh)
(Ooh-ooh)
(Ooh-ooh, ooh-ooh) Stay alive
(Ooh, ooh-ooh)
Oh, no, no-no, no
Oh, no, no-no, no
Oh, no, no-no, no (Stay alive)
Oh, no, no-no, no, no-no

Hello, trust
Don't know where you been, I'm hopin' that you're still down
Like a rose
Yeah, I got beautiful thorns, can't heal this pain on my own

Tell me I'm wrong, I'll say you're right
Tell me that I still got some space in your mind
You tell me truth, they tell me lies
You see everything that I've been tryin' to hide

Stay alive
On the ocean, floatin'
I've been swimmin' fast, back to your love
Stay alive
All real, no fake
I'll drag these chains to heaven's gate
(Ooh-ooh, ooh-ooh)
(Ooh-ooh)
(Ooh-ooh, ooh-ooh) Stay alive
(Ooh, ooh-ooh)
Oh, no, no-no, no
Oh, no, no-no, no
Oh, no, no-no, no (Stay alive)
Oh, no, no-no, no, no-no
