

# I'm Not Dead

Pink

**Am F C G**

Yeah yeah yeah yeah yeah

**Am**

1. There's all these cracks

**F**

Crack of sunlight

Crack in the mirror on your lips

It's the moment of a sunset Friday

When our conversations twist

It's the fifth day of ice on a new tattoo

But the ice should be on our heads

We only spun the wheel to catch ourselves

So we weren't left for death

\*: And I was never looking for approval from anyone but you  
And though this journey is over I'd go back if you ask me to

R: I'm not dead just floating  
Right between the ink of your tattoo  
In the belly of the beast we turned into  
I'm not scared just changing  
Right behind the cigarette and the devilish smile

You're my crack of sunlight

**Am F C G**

2. You can do the math a thousand ways  
but you can't erase the facts  
That others come and others go  
but you always come back  
I'm a winter flower underground  
always thirsty for summer rain  
And just like the change of seasons  
I know you'll be back again

R: I'm not dead...

**Am**

R: I'm not dead I'm just floating

Doesn't matter where I'm going

**F**

I'll find you

**Am**

Underneath the cuts and bruises

**G**

Finally gained what no one loses

**F**

I'll find you, I will find you

**Am**

**G**

**F**

I'm not dead just floating

**Am**

**G**

**F**

I'm not scared just changing

**Am**

You're my crack of sunlight yeah
