Pinkshift

I have a way of waiting on my own
It's clear as day, I'll find my way home
I'll find my way home

You'll never be alone again
I'll always stay
We'll never go home again
But I'm still the same

Nothing will stay forever on it's own
This feeling waits, it's all I'll ever know
You're all I've ever known

I'll never go home again
I'll always stay
And you'll never be alone again
I'm still the same

You'll be alone again
I'll always stay
We'll never go home again
I'm still the same
