

## i'm gonna tell my therapist on you

Pinkshift

Oh my God, why are you sad again?  
Take a dose of something to forget  
Walk a mile in my shoes  
And if you don't come back  
At least I've got nothing to lose

Hello, can I help you?  
I don't think I've ever seen you before  
And if you think that I should listen to you  
I'm about to kick your ass through the door

Carry me further in regret  
I tried to leave but regret's got quite a death grip  
The meds aren't working for me anymore  
I think I'm spiraling, I'm spiraling downwards
