

## let me drown

Pinkshift

I've been patiently waiting for  
Both my feet to fall through the floor  
I shouldn't be scared like this  
But this time I feel it so much more

Let me out  
Give it up  
Watch me drown  
But you're a fucking coward so I bet you won't

You've been holding my head under  
Won't let me up now I might drown  
Can't hold my breath much longer  
How long like this can we go on

And I don't know what you want  
I was so pretty and alive  
But it sounds like you don't like that  
So you'll knock me down and bleed me dry

Let me out  
Give it up  
Watch me drown  
But you're a fucking coward so I bet you won't
