

lullaby

Pinkshift

Biting my cheek and breaking skin
The blood's bittersweet
It's all small talk, restless sleep
Is this all there is?
Isn't it all you ever wanted?
Isn't this all you need?

I think to myself, oh, what a beautiful place to die
I'm holding your hand, I think I can see the ocean in your eyes
We'll be alright, I know I'll be fine with you by my side
I don't wanna sleep, I don't wanna breathe without you, oh, I

Without you, oh, I'm
Without you, oh, I'm
Stuck in a place that's moving too fast
Until we can meet
Suspended in time, reanimate me
But you'd never ask
Tell me it's all you've ever wanted
Tell me it's all you need

I think to myself, oh, what a beautiful place to die
I'm holding your hand, I think I can see the ocean in your eyes
We'll be alright, I know I'll be fine with you by my side
I don't wanna sleep, I don't wanna breathe without you, oh, I

I think to myself, oh, what a beautiful place to die
I don't wanna sleep, I don't wanna breathe
Reanimate me
And close your eyes

Without you, oh, I
Without you, oh, I
Without you, oh
