

to me

Pinkshift

Sharing stories we haven't heard before
Even though they all sound familiar
The air in here is easier to breathe
It just feels a little lighter
To me
To me

Eyes are wider than they used to be
Every angle hits you differently
Carving out a shape I won't remember
Let the darkness hold you in
To me
To me
To me
To me

I don't want to say that I'm afraid
I never believed that I could be anyone to anybody
Anybody

Closing doors is what I'm used to
Shutting down is what I'm meant to do
Right in here, we're safe and sound
In a place that lasts forever
To me
To me
To me
To me

I want you close to me
I want you close to me
I want you close to me
I want you close to me
