Here we are you and me Singing songs and rolling free Raise your drink and lets go wild tonight

Raise your voice and sing with me Scream and shout scream with me Tonight's the night will never let you down Here we are, here we go Street life songs and ready to go You know our tunes will never let you down

Here we are you and me Singing songs and rolling free Raise your drink And let's go wild tonight

I rock with you
you rock with me
A new pack of words
you can sing with me
And you know will never let you down
Here we are in your town tonight
Circle pit singing and ready to fight
And you know will never let you down

Here we are you and me Singing songs and rolling free Raise your drink And let's go wild tonight

The sound inside your head to me punk rock is never dead And you know will keep this sound alive this soundtrack of your lives Never let you down

Here we are you and me Singing songs and rolling free Raise your drink And let's go wild tonight

Here we are you and me Singing songs and rolling free Raise your drink And let's go wild tonight

(Never let you down)
(Never let you down)
(Never let you down)

Here we are you and me Singing songs and rolling free Raise your drink And let's go wild tonight
