

Raise Our Flag

Pipes And Pints

Raise our flag- high into the sky
You know I love this Green, White and Gold

Hoo haa

March to the sounds of the fortunes drums
The pipes the chants oh my Mother Mo Chroi

Hey x8
We raise our flag, We raise our flag
We raise our flag so Proud!

Freedom screams and It aint for free
To fall is to fly and to see

Hoo Haa

Need to rise, need to reach the skies
We raise our fists of hope so high

Hey x8
We raise our flag, We raise our flag
We raise our flag so Proud!

Our hearts flames of Desire, we stamp on deaths empty fires
Raise our flag together and scream it loud

Hoo Haa

Spencil hill, dirty ol town
Sligo rags, coffin ships and trevelyn's corn

Hey x8
We raise our flag, We raise our flag
We raise our flag so Proud!
