Runaway

Pipes And Pints

I was a punk on the streets Fighting for something That I could never reach

From all the dreams I had One really came true I get to sing my songs In front of all of you

I'm a put run away since 1975
10 years later baby yeah
I knew just, how to survive

NaNaNaNaNaNaNaNa Run away Run away

NaNaNaNaNaNaNa Run away Some kinda Run away

NaNaNaNaNaNaNaNa Run away Run away

NaNaNaNaNaNaNaNa Run away Some kinda Run away

For such a long time Grey is all I've seen In the dark I'm watching The city scene

Turned myself away
From what has turned me grey
I'm a dirty patch
Staining street with words I say

Survival in the gutter
Yeah, the street she was my mother
I'll stay true to you
And keep your plans in front of you

NaNaNaNaNaNaNa Run away Run away

NaNaNaNaNaNaNa Run away Some kinda Run away

NaNaNaNaNaNaNaNa Run away Run away

NaNaNaNaNaNaNaNa Run away Some kinda Run away

Bought myself a ticket
For a run away train
I'm just a madman
Who's walking through the rain

Untouchable cause
I am insane
I'm gonna scream my words
In your face TONIGH!

NaNaNaNaNaNaNa Run away Run away

NaNaNaNaNaNaNa Run away Some kinda Run away

NaNaNaNaNaNaNaNa Run away Run away

NaNaNaNaNaNaNaNa Run away Some kinda Run away
