

dog

Piri & Tommy

It's a quarter to five
You're getting on with your life
But he won't let you sleep
Girl, you know it's not right
So let me save you some time
So you don't feel so peak

'Cause he never gave you anything
No, he only wants the naughty shit
So say it with your chest to him
You're a dog, you're a dog
And don't forget it

He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
He ain't nothing but a hound dog, mm-mm
He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
Go put him back where you found him
He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
He ain't nothing but a hound dog, mm-mm
He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
Go put him back where you found him

Go put him back where you found him

Yeah, he's a dog, I don't wanna play fetch with you
Lemme know 'cause it feels kinda random
Why you want me, just to have sex with you?
I don't know what I want from the answer
Big strong boy, never been a good boy
Natty, no roids, yeah, fair enough boy
So you say you're a misunderstood boy
But you wanna rip me up like a chew toy

I'll untie what was entwined
I heard your bark, she'll dodge your bite

He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
He ain't nothing but a hound dog, mm-mm
He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
Go put him back where you found him
He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
He ain't nothing but a hound dog, mm-mm
He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
Go put him back where you found him

He's nothing more than a hound dog
He's only chasing the cat
Yeah, it's like that, it's like that
Go put him back where you found him

When he's behaving like that
We don't want that, no, not that
He's nothing more than a hound dog
He's only chasing the cat
Yeah, it's like that, it's like that
Go put him back where you found him
When he's behaving like that
We don't want that, no, not that
(He's nothing more than a hound dog)
(Ah, oh)

He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
He ain't nothing but a hound dog, mm-mm
He's just a dog (He's just a dog)
He's just a dog (He's just a dog)
Go put him back where you found him
