It's always sunny when I'm with you (baby)

Do you know the warmth you bring to me?
Alright, I wanna give as much as I receive
Loving you is easy, baby
Yeah
It's not hard to please me, baby

Sunlight (sunlight)
I'll be waiting right here for you
Sunlight (sunlight)
It's always sunny when I'm with you (baby)
Sunlight (sunlight)
I'll be waiting right here for you
Sunlight (sunlight)
It's always sunny when I'm with you (baby)
(It's always sunny)
(Oh)

Yeah, I love you
