

## Caught Licking Leather

Pissed Jeans

I know a guy who was caught licking leather  
He met a nice girl and couldn't forget her  
If she borrowed his coat I'm sure that he let her  
Dreamed of tasting a boot so he could know her better  
Aww but she lost interest when he wrote a letter  
In this day and age a voicemail is better  
But it's alright  
Everyone gets busted sometimes  
And it's never any fun, to be the only one  
No it turns my cheeks red  
I should've listened to what was said  
I know a girl who gets tickled by feathers  
Haven't seen her in seems like forever  
Wears long pants even in warm weather  
The trouble she got in couldn't be measured  
Last Halloween she showed up in leather
