You got them boys that pass by in them old school chevies wit the top downs,

Beats that, you know, make the trunk rattle, rear-views shake,  
Then they look at you wit they golds in they mouth  
Let you know what it is.

[Verse:]

I been born and raised in the county of dade,  
The land of the haze, the cocaine capitol.  
We aint just hittin you buddy, we Warren Sapp'n ya.  
We comin hard like them Cubans in the 80's dog.  
Go ahead, throw it in the pot I bet it's raw,  
pero ten cuidado con un tumbé porque se lo llevan todo  
llama al babalaow preguntale por un depojo  
pero tu no puedes con los lobos  
Everything that I do, do,  
Everything that I say, say,  
Everywhere that I go I let 'em know hey I'm from the County of Dade!  
Old school chevy heavy,  
Old school niggas preachin,  
Young niggas wild'n gettin rich of keys and violence.  
Trick, he's the mayor.  
Luke, he's the king.

I'm Mr. 305, put that on a triple-beam.  
I bet it weigh out more than a boat load of keys,  
Holla at them haitians, let them know this licks on me.  
What's up? Dade.

You try me, and ima get 20 tonight.  
You think your bitch bad, boy i got 20 alike,  
Not the car but you know i be pushin the white.  
Dippin chevy in syrup,  
Digital dash,  
No bank accounts,  
My money in bags.  
Go do the physics,  
Cause when i whip it,  
And i love to whip it,  
That's just another digit.  
This is my city, in my city ya gotta tote fire.  
Over town, they'll bust ya head cuz it won't slide.  
Brown sub will wet ya ass like a dunk ride.  
You're dead wrong for thinkin them chicos won't ride.  
Opa Locka revolve around that big 4-5.  
Them lil haitians they take ya ass for a boat ride.,  
In carol city, niggas quick to board the plane wit it,  
Unpack the sack and kill the game wit it! (ROSS!)
