

# Do It

Pitbull

[Chorus: Mayer Hawthorne]  
I got a new one for ya  
I like the way that sounds  
(The point of life I'm sayin)  
I'm 'bout to do it for ya  
I like to break it down  
(Tuxedo)  
This joint has got me open  
Uh that's my favorite song  
(Mr. Worldwide)  
I put my thing in motion  
(I don't know how I do what I do)  
I do it all night long  
(I just do it)

[Verse: Pitbull]  
You know the resume  
Call it what you want, boy as it may  
Not from the bay but hella paid  
Every day above ground is a good day so I celebrate  
Homie got that bubble, young bootie  
I wanna run through it like Rudy  
She said "do you own Nike?"  
I said "not yet", she said "then just do it"  
Fresh at the Grammys in a tuxedo  
Play about 18 hoes on any given day  
Tiger Woods D low  
Yea I get around but only on the D low  
Now I'm changing the world  
Just to think I used to dream about kilos  
Bank account used to be negative  
Now it's like that thing on reload, do it

[Chorus: Mayer Hawthorne]  
I got a new one for ya  
I like the way that sounds  
I'm 'bout to do it for ya  
I like to break it down  
This joint has got me open  
Uh that's my favorite song  
I put my thing in motion  
I do it all night long

Do it, do it, do it  
Oh, here I go again  
(Gotta hit 'em with that)  
Do it  
Do it  
Do it  
(Hit 'em, hit 'em with that)  
Do it  
(Yea, go ahead baby now)  
Do it  
(Go ahead baby now)  
Do it  
(Go ahead baby now)  
Do it

(That's right)

[Verse: Pitbull]

They want just never heard before,  
Never seen before, never worn before  
But if they only knew everything's been done before  
I mean for an outcast like the below  
Instagram, now they take pics  
When I was growing up Instagram was a nick  
Man what a trippin  
Bogota, I made it in Colombia  
Man what a trip  
If you been there  
Then you know what I'm talkin bout  
I'm runnin through the world, ya'll walk it out  
It's a marathon, not a sprint  
Long term, that's how I think  
My life could've turned out ugly  
I'm talkin ugly, Janet Reno  
But I turned it all around and hit the jackpot  
De Niro, Casino, dale

[Chorus: Mayer Hawthorne]

I got a new one for ya  
I like the way that sounds  
I'm 'bout to do it for ya  
I like to break it down  
This joint has got me open  
Uh that's my favorite song  
I put my thing in motion  
I do it all night long

Do it, do it, do it  
Oh, here I go again  
(Gotta hit 'em with that)  
Do it  
Do it  
Do it  
(Hit 'em, hit 'em with that)  
Do it  
(Yea, go ahead baby now)  
Do it  
(Go ahead baby now)  
Do it  
(Go ahead baby now)  
Do it  
(That's right)

[Bridge: Mayer & Pitbull]

Been working hard and now the weekend is here  
Give it yo best shot  
Show me what you got (it's time)  
Good life on, put it in the atmosphere  
Give it yo best shot  
Show me what you got  
I got that lighten feeling from my head to my toes  
Give it yo best shot  
Show me what you got  
So tonight I'm really gonna let myself go  
Give it yo best shot  
Show me what you got

[Outro: Pitbull]

Dale mamita  
Jump out the sandbox  
Come play with these big boys  
You know we're cooler than a polar bear on this  
Oh yea  
That's right
