

# Hey Ma

Pitbull

I'm here like for one night  
So we don't gotta waste time  
I know that you feel it  
My hands upon your waistline  
So won't you, come closer  
Let me know you're all mine (let me know)  
Let me know you're all mine (let go)

And I might stay tonight  
But not for long  
And I might say goodbye  
But right now, baby, right now

(I need you)  
Hey mama, hey mama, hey mama, hey ma'  
(I need you)

Hey mama, hey mama, hey mama, hey ma'  
Girl, it's getting hotter  
I can't take much more  
(I need you)  
Hey mama, hey mama, hey mama, hey ma'  
(I need you)

I am what they wanna be  
Check the stacks  
James Bond in the flesh, girl  
That's a fact  
I was raised by old g's  
So I'm low key (uh huh)  
How much you need?  
And you like  
"Baby believe me"  
I'm a freak  
That can eat, that can beat  
That can treat you like that queen  
That you was meant to be  
{Oh yeah}  
I'm the good, I'm that raw  
Slick on the dong  
With nothing to something  
To had it all  
Now, mami, just watch, learn and listen  
I've got a feeling so good she stay switchin'  
But before I banish  
She spoke Spanish  
She said: "Papito rico, te necesito"

I might stay tonight  
But not for long  
And I might say goodbye  
But right now, yeah baby, right now
