

# Hope We Meet Again

Pitbull

We could be anywhere tonight  
But we're right here underneath the lights  
I see the colours in your eyes  
Beautiful rainbows all around us  
We got the whole world in our hands (Mr Worldwide)  
This is the night we won't forget (Chris Brown)  
Whatever happens in the end  
I just hope, I hope we meet again

La la la la-la  
La-la la la la la la-la  
La la la la-la

I just hope, I hope we meet again

One thing's for certain, two things for sure  
Theart radio, I close show  
My life's like Broadway  
No cameras welcome to the show  
One champ for them boys indictment  
Broadway, negro, I'm poser than posed  
My boy I told ya, baby coming back one day  
Throw this song to the world and watch her catch it like a bouquet  
Australia to UK, jump the puddle straight to the States  
It's okay let 'em hate, cause they'll be coming back one day, dale

We could be anywhere tonight  
But we're right here underneath the lights  
I see the colors in your eyes  
Beautiful rainbows all around us  
We got the whole world in our hands  
This is the night we won't forget  
Whatever happens in the end  
I just hope, I hope we meet again

La la la la la, la la la  
La la la la la, la la la  
La la la la la

I just hope, I hope we meet again

Now the world is my backyard  
And I would like to thank ya'll  
Cause I was at a point, point blank  
That I would point blank ya'll  
I found myself, in term, I lost my mind  
Sometimes I feel like an old school Manny better lost in time  
They say to be wise, is to know what you don't know  
And I don't know shit, does that make me wise, papo I don't know  
But this must I can't say, to my best friend Eddie, my father, Guarilla, Abu  
elo Rudy, and to my brother drama I'll be back for you one day

We could be anywhere tonight  
But we're right here underneath the lights  
I see the colors in your eyes  
Beautiful rainbows all around us  
We got the whole world in our hands

This is the night we won't forget  
Whatever happens in the end  
I just hope, I hope we meet again

(La la la la la) To the world, and all my friends, I hope we meet again  
(La la la la la) To the world, and all my friends, I hope we meet again  
(La la la la la) To the world, and all my friends, I hope we meet again  
(La la la la la) To the world, and all my friends, I hope we meet again

I hope we meet again
