

It Takes 3

Pitbull

Hit it!
Shake that ass, make your baby daddy mad
Shake that ass, make your baby daddy mad
Shake that ass, make your baby daddy mad
DJ, let's go

It takes two to make a tango, right?
But it takes three to meet outside
It takes two to make a tango, right?
But it takes three to meet outside

I wanna rock right now
It's Mr. Worldwide and I came to get down
Already internationally known
And your boy's known to rock the globe
'Cause I get loose, I mean, outrageous
Yeah, I get loose, nothin' rough, blue faces
Catch me in a suit at a NASCAR race
Trackhouse ride the wall for a championship place
Girls love me, mami's adore me
No social media, but, baby, you can call me
Y esto es para todos latino' en el mundo
Siempre primero, nunca segundo, dale

It takes two to make a tango, right?
But it takes three to meet outside
It takes two to make a tango, right?
But it takes three to meet outside

Name's Armando, but the world calls me Pit
Cuban from Miami, learned to stay out the mix
Here's an idea that I wanna share
You don't like me? Fuck you, I don't care
Número uno and I cruise like a Top Gun
She's a hot one and blows like a shotgun
Hustle dream house in the Keys, got one
Looking for a hit, my dawg Chino got some
Not a follower, I'm a leader
Nah, I'm not a gangsta, but I drop you like Adidas (Uh)
My name clean, so I don't need a bodyguard
Not a lawyer, but you can meet me at the bar

It takes two to make a tango, right?
But it takes three to meet outside
It takes two to make a tango, right?
But it takes three to meet outside
