

# There It Is

Pitbull

It's Mr. Worldwide  
And I just wanna know  
Do my sexy ladies run it?  
Hell yeah  
Do my freaky ladies run it?  
Hell yeah  
Then back it up, take it low and let 'em know  
Holler

Whoomp, there it is (Say it)  
Whoomp, there it is (Louder)  
Whoomp, there it is (Dale)  
Whoomp, there it is (Louder)  
Whoomp, there it is (Say it)  
Whoomp, there it is (Louder)  
Whoomp, there it is (Dale)  
Whoomp, there it is (Louder, yoo)

Oh, boy, there he go again  
Getting brain in doubles like Siamese twins  
Right when y'all thought it was over, rewind, we just began  
You name the city, we shut it down  
You name the state, we shut it down  
You name the country, we shut it down  
What's the name of your girl? We shut it down (Oh)  
But nevertheless  
I try my best to stay off the grid like Loch Ness  
She showed me her breasts  
Put her hand on her knees, let the coochie breathe, looked at me, and said

Whoomp, there it is (Say it)  
Whoomp, there it is (Louder)  
Whoomp, there it is (Dale)  
Whoomp, there it is (Louder)  
Whoomp, there it is (Say it)  
Whoomp, there it is (Louder)  
Whoomp, there it is (Dale)  
Whoomp, there it is (Louder)
