

## Super Clean

Pitchshifter

If we were sanitised before your eyes super-clean  
would you remember when I said "they're gonna getcha?"  
Sooner later one way or another.  
So let go, I said so.  
Our time to shine - nothing's gonna stop us.  
If you sit tight, we alright.  
High times to climb - you know nothing's gonna stop us now.  
Well this time we're taking sides gonna finish our final scenes  
Do you remember when I said "I'm gonna get mine?"  
Innovate/imitate oh what's the difference.  
So let go, I said so.  
Our time to shine - nothing's gonna stop us.  
If you sit tight, we alright.  
High times to climb - you know nothing's gonna stop us now.  
And it's the appreciation of imitations so it seems  
Do you remember when I said "they're gonna save us?"  
Yes Sir, well I tried, it's now or never.  
So let go, I said so.  
Our time to shine - nothing's gonna stop us.  
If you sit tight, we alright. High times to climb - you know no  
thing's gonna stop us now.
