

# Boys and Girls

Pixie Lott

**C#**

1. I'm looking in the mirror and I think I'm liking what I see

**C#**

Big big lights shining bright like Im on the T.V

**F#**

My heart pumps as the bass drum thumps you gotta move when the boy jumps

**C#**

Somethings going on and I think its going on right now

**E**

**F#**

R: All the boys and the girls

**C#**

they got it going on

**E**

**F#**

When the beat kicks in

**C#**

the feeling in your bones

**E**

**F#**

When the bass impacts

**C#**

and the needle drops

**E**

**F#**

When you can't turn back

**C#**

and you just can't stop

**E**

**F#**

All the boys and the girls

**C#**

(no you just can't stop)

**E**

**F#**

All the boys and the girls

**C#**

(no you just can't stop)

**E**

**F#**

All the boys and the girls

**C#**

2. I can see the silhouette standing up against the wall

It sure feels good feels good yeah were gonna lose control

Turn it on make it strong a good beat never hurt no-one

Kicking up the dust and were making every move we know ye-e-ah

R: All the boys and the girls...

**E F# C#**

\*: Wooooh oooh baby dont stop

**E F# C#**

Wooooh oooh keep the vibe hot

**E F# C#**

Wooooh oooh baby dont stop

**E F# C#**

Wooooh oooh keep the vibe hot

**F#**

Turn it on make it strong

a good beat never hurt no-one

R: All the boys and the girls...
