

In a black little dress  
With my hair a mess  
And I'm wearing my pearls  
From the night before  
And I know  
That I need your love right now  
But I need you to love  
Giving back to me

Roses  
When everything's coming up  
Roses  
I need you to pull me in  
Closely  
I need you to give  
As good as I give you

When you're holding me  
I wanna feel better  
When you're on my skin  
I wanna feel perfect  
When you're on me  
I want you to make me feel like  
I'm nobody else  
I need you to be there for me  
Just like Coco Chanel

Your shirt and your shoes  
On the bedroom floor  
You're wearing your shades  
'Cause your eyes are sore  
And I know that I need your body now

But nobody can make me feel luxe  
Like yours does  
When everything is coming good for us  
I need you to pull me in closer  
I need you to give  
As good as I give you

When you're holding me  
I wanna feel better  
When you're on my skin  
I wanna feel perfect  
When you're on me  
I want you to make me feel like  
I'm nobody else  
I need you to be there for me  
Just like Coco Chanel

I need you to know my mood  
Before I do  
And I need you  
To fix my heart  
Before it breaks in two

When you're holding me

I wanna feel better  
When you're on my skin  
I wanna feel perfect  
When you're on me  
I want you to make me feel like  
I'm nobody else  
Like it's only me  
I wanna feel special  
When you're close to me  
I want you to pray just like it's holy  
I want you to make me feel like  
I'm nobody else  
I need you to be there for me  
Just like Coco Chanel  
I need you to be there for me  
Just like Coco Chanel

I need you to be there for me  
Just like Coco Chanel
