

# Comes Back Around

Pixie Lott

Oh my love  
You know me by now  
Seasons change  
Things go up and down  
Yeah they can take my spirit  
But they can never keep it on

I don't know what it is  
It's easier to miss  
But I see it now  
Cause everything that goes  
Comes back around

All this time  
I guess I've never known  
If there's no rules  
Nothing's gonna grow  
Yeah I can myself up  
But I can never leave it on

I learned how to change  
It's harder to remain  
But I see it now, yeah  
'Cause everything that goes  
Comes back around  
Yeah, everything that goes  
Comes back around

I've been running  
Trying to get over every hurdle  
And it hurt my heart  
But sometimes we just  
Got to move in so many circles  
To get back to the start  
'Cause everything that goes  
Comes back around  
Yeah, everything that goes  
Comes back around

I don't know many things  
But I started listening  
And everything I ever needed was already there
