Pixie Lott

So dysfunctional  
So dysfunctional  
So dysfunctional

I feel like I am tied up in your love  
I hate it but I can't get enough  
We play this game again and again  
I wonder when this cycle will end

You break me, shatter me, make me crazy  
I wonder why, I keep calling you my baby  
I can't say no even though, you're just breaking me down  
Baby, you know me

So dysfunctional, that I can't let go  
You got me spinning and I lose control  
I walk away when you crawl right back  
You love to paint my heart black  
You turn it on and you turn around  
Everytime you let me down  
So dysfunctional, so dysfunctional  
This is so dysfunctional

Sometimes I wish I could walk away  
When you leave me hanging for days  
My broken heart just tries to pretend  
You make me choose between you and my closest friends

You break me, shatter me, make me crazy  
But I can't let you go, I keep on praying  
That we might be alright, you'll stop making me cry  
Maybe in my dreams

So dysfunctional, that I can't let go  
You got me spinning and I lose control  
I walk away when you crawl right back  
You love to paint my heart black  
You turn it on and you turn around  
Everytime you let me down  
So dysfunctional, so dysfunctional  
This is so dysfunctional

Boy, boy, you make me high, then you take me so low  
I can't kick this habit, oh, I know

So dysfunctional, so dysfunctional, so dysfunctional  
So dysfunctional, so dysfunctional, so dysfunctional  
Baby, you know me

So dysfunctional, that I can't let go  
You got me spinning and I lose control  
I walk away when you crawl right back  
You love to paint my heart black  
You turn it on and you turn around  
Everytime you let me down  
So dysfunctional, so dysfunctional  
This is so dysfunctional

So dysfunctional, so dysfunctional  
This is so dysfunctional
