

# Midnight Trash

**Pixie Lott**

It's 3:22 AM  
Hello insomnia my friend  
It's nothing new  
You win  
But I'ma fight you till the end  
Do what you do  
In my head  
Go ahead and tighten up my chest  
It's 3:22 AM

I'm getting stronger  
It won't be much longer

I'm gonna make it (make it)  
Bigger and better  
Better than I've been before  
(Ooh, ooh, ooh)  
I'm gonna shake it (shake it)  
Mind over matter  
Til you don't matter anymore  
(Ooh, ooh, ooh)

I'm gonna make it past  
The midnight trash  
The floodlights in my mind  
I just got to got to make it through the night

I'll never be alone  
I just turn on my radio  
You'll never keep control  
And the night's not yours to own  
You'll be leaving me, I know  
And while I'm scrolling through my phone  
I'll never be alone  
I will be healing  
I'm done with this feeling

I'm gonna make it (make it)  
Bigger and better  
Better than I've been before  
(Ooh, ooh, ooh)  
I'm gonna shake it (shake it)  
Mind over matter  
Til you don't matter anymore  
(Ooh, ooh, ooh)

I'm gonna make it past  
The midnight trash  
The floodlights in my mind  
I just got to got to make it through the night

I'm letting you know, I'm letting you know  
I'm letting you know, I'm letting you know  
I'm letting you know, I've had enough  
I'm letting you go, I'm letting you go  
And I'm shutting the door  
Behind you

I'm letting you win  
No never again

No never, no never, forever  
Not ever, no never, never, ever

I'm gonna make it (make it)  
Bigger and better  
Better than I've been before  
(Ooh, ooh, ooh)  
I'm gonna shake it (shake it)  
Mind over matter  
Til you don't matter anymore  
(Ooh, ooh, ooh)

I'm gonna make it past  
The midnight trash  
The floodlights in my mind  
I just got to got to make it through the night  
Make it past  
The midnight trash  
The floodlights in my mind

Just gotta make it through tonight
