

# Ooh La La

Pixie Lott

Metallic blue  
The shimmer on my dress reflectin' back at you  
We were such a mess, we didn't have a clue  
We'd still feel this way  
In the dark  
You were with your friends, that's how the story starts  
No one could pretend they didn't see the stars  
Explodin' in the night

Ooh-la-la  
Every time we go too far  
We're goin' deeper, ooh-la-la  
Don't leave me with a heart-shaped scar  
When all I need's ya

Ooh-la-la, I'm cryin'  
Ooh-la-la, I'm dyin'  
Ooh-la-la, ooh-la-la  
Ooh-la-la, I'm cryin'  
Ooh-la-la, I'm dyin'  
Ooh-la-la

We weren't old enough  
You had to call your friend to get us in the club  
Sneakin' in the back door to explore our love  
Now I know just where to go

Ooh-la-la  
Every time we go too far  
We're goin' deeper, ooh-la-la  
Don't leave me with a heart-shaped scar  
'Cause I just need ya

Ooh-la-la, I'm cryin'  
Ooh-la-la, I'm dyin'  
Ooh-la-la, ooh-la-la  
Ooh-la-la, I'm cryin'  
Ooh-la-la, I'm dyin'  
Ooh-la-la, I'm cryin'  
Ooh-la-la, ooh-la-la  
Ooh-la-la

I'm so beside myself  
Beside you  
But there's nobody else  
Nobody like you

Ooh-la-la, I'm cryin'  
I'm dyin'  
Ooh-la-la, I'm cryin'  
Ooh-la-la, I'm dyin'  
Ooh-la-la, I'm cryin'  
Ooh-la-la, ooh-la-la  
Ooh-la-la

Ooh-la-la  
Every time we go too far

We're goin' deeper, ooh-la-la  
Don't leave me with a heart-shaped scar  
When all I need's ya

Ooh-la-la, I'm cryin'  
Ooh-la-la, I'm dyin'  
Ooh-la-la, ooh-la-la  
Ooh-la-la, I'm cryin'  
I'm dyin'  
Ooh-la-la, I'm cryin'  
Ooh-la-la, ooh-la-la  
Ooh-la-la

Ooh-la-la, ooh-la-la  
Ooh-la-la
