Pixie Lott

Red One! Pixie!

My heart is bouncing like a hip-hop beat
Boy this is half the drama you're causing me
But I can't decide if it's good or bad for me (for me yeah yeah)

You say the ride was looking deep in my eyes
You give me pleasure cause I constantly smile
But I can't decide if it's good or bad for me (for me yeah yeah)

But there's one thing that you should know about me hey

I'm not a hit you play, a one-hit wonder stone,
I need a stand-up guy, don't want no rolling stone
I'm not a city you visit, when you're out on tour
I need a stand-up guy, don't want no rolling stone
Rolling stone [5x]
No rolling stone
Rolling stone [5x]
No rolling stone

You got all my girlfriends are all on your side
They say go keep your cool and give me the try
But I cant decide if it's good or bad for me (for me)
You keep on jumping in and out of my life
And every time it's such a beautiful ride
But I can't decide if it's good or bad for me (for me yeah)

But there's one thing that you should know about me hey

I'm not a hit you play, a one-hit wonder stone,
I need a stand-up guy, don't want no rolling stone
I'm not a city you visit, when you're out on tour
I need a stand-up guy, don't want no rolling stone
Rolling stone [5x]
No rolling stone
Rolling stone [5x]
No rolling stone

Nah nah nanah [4x]
Nananah nah nah [4x]
Nah nah nanah [4x]
Nananah nah nah [4x]
Hey hey!

But there's one thing that you should know about me hey

I'm not a hit you play, a one-hit wonder stone,
I need a stand-up guy, don't want no rolling stone
I'm not a city you visit, when you're out on tour
I need a stand-up guy, don't want no rolling stone
Rolling stone [5x]
No rolling stone
Rolling stone [5x]
No rolling stone
Yeah!
