

Say So

Pixie Lott

Night after night I tell the same story
But I hope for a different end
Time after time I wanted you to notice
That I was not pretending
Nowhere to run
No one to run to
'Cause I'm afraid
Of trying to tell you
Put on a smile
I'll be fine
Nothing else to do

At the end of the day
When it's said and done
I never knew there was something wrong
After the show
I know I'll be on my own
But I don't wanna talk about it
'Cause I don't want to lose you
And I don't wanna let you go
But if I'm not alright
Is it alright
To say so?

Nothing lasts forever
That's a given
But it doesn't make it easy
For me when I can't see
Anything but shadows
Never getting any clearer

Nowhere to run
No one to run to
'Cause I'm afraid
Of trying to tell you
Pulling you close
So the words don't have much to do

At the end of the day
When it's said and done
I never knew there was something wrong
After the show
I know I'll be on my own
But I don't wanna talk about it
'Cause I don't want to lose you
And I don't wanna let you go
But if I'm not alright
Is it alright
To say so?

And I don't wanna tell you that I'm hurting
Don't want you to lose your faith in me
I'm worried if I say the way I'm feeling
That you're gonna see me differently
And I need you to tell me that I'm okay
I need you to bring me back to the ground
Saying it's all right now

At the end of the day
When it's said and done
I never knew there was something wrong
After the show
I know I'll be on my own
But I don't wanna talk about it
'Cause I don't want to lose you
And I don't wanna let you go
But if I'm not alright
Is it alright
To say so?
If I'm not alright
Is it alright
To say so?
If I'm not alright
Is it alright
To say so?
