

Show You Love

Pixie Lott

(1, 2, 3, 4)

If you want love
Then you gotta show your love
And if you need love
Then you gotta give enough
'Cause if you know love
Then you know the road is tough
But I'm not about to give you up
I'm about to show you love

I'm not gonna lie, it's been harder
Trying to find the light through the darkness
Heavy mind, heavy hearted
But I got to carry on, carry on regardless
Writing it down on a piece of paper, ooh
Trying to get there, trying to get there

If you want love
Then you gotta show your love
And if you need love
Then you gotta give enough
'Cause if you know love
Then you know the road is tough
But I'm not about to give you up
I'm about to show you love
Show you love
Show you love
Show you love
Show you, show you love, oh

I'm not trying to say that it's easy
To appreciate all your feelings
What you have now
You can hold
And you'll have more now
Watch it grow

If you want love
Then you gotta show your love
And if you need love
Then you gotta give enough
'Cause if you know love
Then you know the road is tough
But I'm not about to give you up
I'm about to show you love

If you want love
Then you gotta show your love
And if you need love
Then you gotta give enough
'Cause if you know love
Then you know the road is tough
But I'm not about to give you up
I'm about to show you love

I'm about to show you love

I'm about to show you love
I'm about to show you, show you, show you love, yeah
Yeah baby
Show you love
Ouh-oh-oh-oh
Oh-oh-oh-oh love love love
Oh, show you love
