Wanna Get To Know You

Pixie Lott

I wanna get, wanna get to, get to know ya

Your love is something so special
So extraordinary, so far from ordinary
Baby I, I, I, I wanna get to know you
I wanna get to, wanna get to, wanna get to know you

I hope I watch you like, do I fit right in your life?
'Cause you caught my eye, yeah, you caught my eye
Everything that you do makes me so
Hot love that I can't touch the floor
And it's too late now 'cause I can't come down
You got me stuck like an elevator

Your love is something so special
So extraordinary, so far from ordinary
Baby I, I, I, I wanna get to know you
I wanna get to, wanna get to, wanna get to know you

Oh, you make me so crazy, could I, I be your baby?
'Cause you got my vibe, yeah, you got my eye
Can't you see what you're doing to me?
Next to you is where I want to be, yeah
And I get turn back cause you got my heart
Right into life like a respirator

Your love is something so special
So extraordinary, so far from ordinary
Baby I, I, I, I wanna get to know you
I wanna get to, wanna get to, wanna get to know you

You're the one that I want, can't you see, baby?
You're the one that I need, can't you see, baby?
I wanna get to, wanna get to know you, baby
I gotta get to, gotta get to know you, baby

I'm the one that you want, can't you see, baby?
I'm the one that you need, can't you see, baby?
I wanna get to, wanna get to know you, baby
I gotta get to, gotta get to know you, baby

Your love is something so special
So extraordinary, so far from ordinary
Baby I, I, I, I wanna get to know you
I wanna get to, wanna get to, wanna get to know you

I wanna get, wanna get to get to know ya
I wanna get, wanna get to get to know ya
I gotta get, gotta get to get to know ya
I gotta get, gotta get to get to know ya

I wanna get, wanna get to get to know ya
I wanna get, wanna get to get to know ya
I gotta get, gotta get to get to know ya
I gotta get, gotta get to get to know ya
