

# Want You

Pixie Lott

Can I talk to you  
It might take a little while  
We've been so confused  
We need to work this out  
I've been away from you and I know it's been some time  
It's not fair to you  
So I need to break it down

I could be stuck in L.A.  
You may get a late call from New York  
I try to send a kiss to where you are  
But it just seems too far  
I could be off to Tokyo  
ATL then Paris and back home  
So I just can't be where you are  
And its breaking my heart

I don't want want you, keep telling myself  
That I don't want you  
But I can't have you  
It's crazy  
It's getting so hard to stay away from you  
But I still miss you  
I don't want want you, keep telling myself  
That I don't want you  
But I wanna call you  
Say I'm sorry but I can't be the one for you  
Cause I can't be with you

We may not survive  
This just gets a little hard  
We lead different lives  
And spend most of it apart  
Tell me what to do  
To make it up to you  
Maybe we should stop before this goes too far

I could be stuck in L.A.  
You may get a late call from New York  
I try to send a kiss to where you are  
But it just seems too far  
I could be off to Tokyo  
ATL then Paris and back home  
So I just can't be where you are  
And it's breaking my heart

I don't want want you, keep telling myself  
That I don't want you  
But I can't have you  
It's crazy  
It's getting so hard to stay away from you  
But I still miss you  
I don't want want you, keep telling myself  
That I don't want you  
But I wanna call you  
Say I'm sorry but I can't be the one for you  
Cause I can't be with you

Maybe we'd be better off  
Not that it get too serious  
I can't give you what you want  
Noooo  
Maybe we should break it off  
I don't wanna call it back  
Help me figure out

I don't want want you, keep telling myself  
That I don't want you  
But I can't have you  
It's crazy  
It's getting so hard to stay away from you  
But I still miss you  
I don't want want you, keep telling myself  
That I don't want you  
But I wanna call you  
Say I'm sorry but I can't be the one for you  
Cause I can't be with you

I don't want want you, keep telling myself  
That I don't want you  
But I can't have you  
It's crazy  
It's getting so hard to stay away from you  
But I still miss you  
I don't want want you, keep telling myself  
That I don't want you  
But I wanna call you  
Say I'm sorry but I can't be the one for you  
Cause I can't be with you...
