

When You Were My Man

Pixie Lott

Same bed but it feels just
A little bit bigger now
Our song on the radio
But it don't sound the same
When our friends talk about you
All it does is just tears me down
'Cause my heart breaks a little
When I hear your name
It all just sounds like, ooooooh
Mmm
Too young, too dumb to realize

That you should've bought me flowers
And held my hand
Gave me all your hours
When you had the chance
Take me to every party
'Cause all I wanted to do was dance
Now I'm dancing
But I'm dancing with another man

Your pride, your ego, your needs and your selfish ways
'Cause a good strong women like me to walk out your life
Now we'll never never get to clean up the mess you made, no
And it haunts just a little when I close my eyes
It all just sounds like, ooooooh
Mmm...
Too young, too dumb to realize

That you should've bought me flowers
And held my hand
Gave me all your hours
When you had the chance
Take me to all the parties
'Cause all I wanted to do was dance
Now I'm dancing
But I'm dancing with another man

I know it hurts
I'll be the first to say that
You are wrong
Oh, and you know you're probably much too late
To trying apologize for the mistakes
And I just want you to know

He buys me flowers
He holds my hand
He gives me all his hours
When he has the chance
Takes me to every party
'Cause all I want to do is dance
He does all the things you should've done
When you were my man, no uh
He does all the things you should've done
When you were my man
