Another Toe

Pixies

I have a drink
I start to sink
I put my toe in the ocean

I have a drink
I start to sink
Another toe in the ocean

Down on the shelf
An elf I saw
I took his picture he was waving

I passed again
And now they're gone
I think my picture is worth saving

No more waiting for a new day
You gotta swim sometimes

I'll be here for the rest of my life
Up in the land of green
Making love in the cool black sand
Thinking where I've been

Ooh
I put my toe in the ocean

Another toe in the ocean

Merry making
With the fairies
Going down to the onion patch

To you and me
To shining seas
I see the lights of Edward Thatch

No more waiting for a new day
You gotta swim sometimes

I'll be here for the rest of my life
Up in the land of green
Making love in the cool black sand
Thinking where I've been

Ooh
I put my toe in the ocean

I have a drink
I start to sink
Another toe in the ocean
