

## Mercy Me

Pixies

Mercy me, mercy me  
I lost my dog down Tennessee  
Mercy me, cursed me  
I lost my dog down Tennessee

Now everyone's looking for something to do  
We went to take a walk on the avenue  
We heard the tragedienne  
We heard her sing all through the night  
I remember her then, bathed in the light  
Of that atomic number ten

Never moved to talk and you could not smile  
But that face as you walked said, "I'll be back in a while"  
I called the police, I called the National Guard  
I prayed to the Prince of Peace and I prayed to Saint Bernard

Mercy me, mercy me  
I lost my dog down Tennessee  
Mercy me, cursed me  
I lost my dog down Tennessee

Country music filled the air  
Reddish orange from the star  
Upon her hair and her guitars  
But I don't see you anywheres

Mercy me, mercy me  
I lost my dog down Tennessee  
Mercy me, cursed me  
I lost my dog down Tennessee
