

Thunder and Lightning

Pixies

There was a storm today in Chinatown
My favorite vegetable was really coming down

OK, you count the miles 'til lightning turns to thunder
How long until it tears us both asunder?

They started a war today in another land
Everything went the way that it all was planned

OK, you count the miles 'til lightning turns to thunder
How long until it tears us both asunder?

Uno, dos, tres, cuatro, cinco, seis, siete, ocho

OK, you count the miles 'til lightning turns to thunder
How long until it tears us both asunder?

There was a storm today in Chinatown
You count the miles 'til lightning turns to thunder
How long until it tears us both asunder?

There was a storm today
There was a storm today
You count the miles 'til lightning turns to thunder
You count the miles 'til lightning turns to thunder
