Winterlong

I waited for you winterlong You seemed to be where I belong It's all illusion anyway

If things should ever turn out wrong And all the love we have is gone It won't be easy On that day

Waiting to follow Through the dream light of your way Is not so easy for me now

After time has passed your way Things we thought of yesterday Come back now Comeback now Whoahohhh

Waiting to follow Through the dream light of your way Is not so easy for me now

After time has passed your way Things we thought of yesterday Come back now Comeback now Whoahohhh

I waited for you winterlong You seemed to be where I belong [6x]
