Baby I'm addicted

Let me do what I wanna do
Your piercing eyes ooh
Try to act cool
Even though I try you fall from afar
Taking my attention

Why are you pulling me again
Pushing me back and forth
Slowly you're drawing me towards you
Everyday I'm not okay
Baby you're sucking me
Into your heat

I want it now
Tell me tell me everything

Like a dream I get sucked in
I can't take it no more

Like an addiction
You trap me in the more I resist
Just let it be, trap me in more
My heart is tied to you
It's too much of you

Baby oh, I can't stop this feeling
I'm addicted
You keep going, killing
I'm falling into you and can't resist it

Fill me up even more
Show me more
I've gone too far into you
Baby I'm addicted

Want do you want
I'll give you whatever it is
Just tell me
I'll be your winner in this game
I just want your love
I can't push away the intensity
Can't hold back from you

I want it now
Tell me tell me everything
Like a dream I get sucked in
I can't take it no more

Like an addiction
You trap me in the more I resist
Just let it be, trap me in more
My heart is tied to you
It's too much of you

Baby oh, I can't stop this feeling
I'm addicted
You keep going, killing
I'm falling into you and can't resist it

Fill me up even more
Show me more
I've gone too far into you
Baby I'm addicted

You cut into me so sharply
You blend into my soul
I can't stop holding it
And eventually breathe you in

Your unstoppable tune
Opens my eyes again
Tied up in your eyes
I fall deeper
Into you

Oh, I can't stop this feeling
I'm addicted
You keep going, killing
I'm falling into you and can't resist it

Fill me up even more
Show me more
I've gone too far into you
Baby I'm addicted
