PJ Harvey

Oyster pearl, you easy girls  
You're flapping in, you're shouting  
You're dead good, all the men say  
Legs wide, hips swinging like a doorway

Easy  
Easy  
Easy

I'm ranting, I'm raving  
I'm taking in just everything  
You're giving me no leeway  
I open once and you call me Devil's gateway

Easy  
Easy  
Easy  
Easy

And I deserve it  
I asked you for it  
Have to admit it  
We dress like tigers

And I deserve it  
Give me no leeway  
I will give you ...  
You can call me Devil's gateway

    (And I deserve it)  
    (And I deserve it)
