samson the strength that's in your arms oh to be your stunning bride samson your hair glistening like sun oh would that it were mine samson your hair that's in my hands i'll keep it safe you're mine you're mine he said wait said wait delilah my babe delilah my babe said wait said wait delilah my babe delilah my babe said wait said wait delilah my babe you lied in my face you cut off my hair you lied in my bed samson your stay with your 'lilah i'll hold you in my hands yeah your hair your strength my man my man he said wait said wait delilah my babe delilah my babe said wait said wait delilah my babe delilah my babe he said wait said wait

delilah my babe

delilah my babe
said wait
said wait
delilah my babe
you lied in my face
you cut off my hair
you lied in my bed
