

## Lost Fun Zone

**PJ Harvey**

I believe I am here to stay  
I believe his son was sent to save  
The fun zone is here  
Ride free so

Take me one more time  
Take me one more time  
Take me one more time

I don't believe that I gotta die someday  
Please take me one more time  
Take me one more time  
Take me one more time
