

Nina In Ecstasy 2

PJ Harvey

I'm Nina
I feel love
I'll be safe
I'll be yours evermore
I'll be safe

Mama

Once Nina was a young girl
Now she's dead
Grew older
Grew cold and
Lost her way

Mama

Where's your mama gone?
Where's your mama gone?
Where's your mama gone?
Where's your mama gone?
Where's your mama gone?
Where's your mama gone?

Far, far away
Far, far away
