

Catboy

PJ Masks

Here comes Catboy, he's on his way
With Super Cat Speed, he's gonna save the day
Jumps so high into the air
He's the fastest hero with the feline flair

Don't you worry, he's there in a hurry
Like a speeding train
He's there in a flash, moving so fast
Just call out his name!

Catboy! (Zooming out of sight)
Catboy! (Speeding through the night)
You never see him coming 'cause he's faster than light
It's Catboy! (whoa-oh-oh-oh)

Catboy, Catboy, Catboy!
Moves so fast, he's there in a flash

Catboy, Catboy, Catboy!

Sun goes down, he leads the way
With Super Cat Speed, he's gonna save the day
Need a hand, he's there on the run
The power of friendship, he gets things done

Don't you worry, he's there in a hurry
Like a speeding train
He's there in a flash, moving so fast
Just call out his name!

Catboy! (Zooming out of sight)
Catboy! (Speeding through the night)
You never see him coming 'cause he's faster than light
It's Catboy!

(Whoa-oh) Zooming out of sight
(Whoa-oh) Speeding through the night
You never see him coming 'cause he's faster than light
It's Catboy!
