

Hero In All Of Us

PJ Masks

We all got a strength hidden deep inside
A super special power to do what's right
Looking out for each other till the end of time
I got your back and you got mine
It's time to be a hero, come on let's ride

There's a superhero in all of us
Superhero, waiting to be free
There's a superhero in all of us
Superhero, superhero in you and me

Be the best you that you can be
Help out your friends and your family
Stand up for what's right and you'll do great
PJ Masks, we're on our way
Into the night to save the day

There's a superhero in all of us
Superhero, waiting to be free
There's a superhero in all of us
Superhero, superhero in you and me
