

I'm Night Ninja

PJ Masks

Splat the city!

Step aside or get in line
It's Night Ninja's time to shine!
Sticky splat tricks, I'm the ninja king
You know I'm better at everything

After them!

The Ninjalinos by my side
Nobody can stop this guy!

Always causing trouble in the middle of the night
I'm Night Ninja!
Breaking all the rules, I'm the coolest of the cool
I'm Night Ninja!

I slip and slide undercover at night
My ninja moves are out of sight
Try to fight me, and know what I do
I'll stop you in your tracks and sticky splat you!

Always causing trouble in the middle of the night
I'm Night Ninja!
Breaking all the rules, I'm the coolest of the cool
I'm Night Ninja!

Check you later!

I'm Night Ninja!
I'm Night Ninja!
I'm Night Ninja!
