

It's Bedtime

PJ Masks

Heroes, it's bedtime
Dream and drift away
Tomorrow's a chance to
Help save the day

Take a bath, brush your teeth
I'll sing a song
Put on your pajamas
And the nightlight stays on

Bedtime, it's bedtime
Lay down your head
New adventures in the morning
With your PJ friends

Time for a story
Adventures to read
Your best toy beside you
Is all that you need

Snuggle up, close your eyes
Another hug for you
Look forward to another day
And dream the night through

Take a bath, brush your teeth
I'll sing a song
Put on your pajamas
And the nightlight stays on

Bedtime, it's bedtime
Lay down your head
New adventures in the morning
With your PJ friends

New adventures in the morning
