

Let's Fly

PJ Masks

Like a shooting star that lights up the night
In my Owl Glider I make everything right
Let's fly by the light of Venus and Mars
It's time to be a hero and reach up for the stars

No one goes higher
No star shines brighter
In my Owl Glider
Together we own the sky

Na-na-na-na-na-na-na-na
C'mon and fly in my Owl Glider
Na-na-na-na-na-na-na-na
C'mon let's fly higher and higher

Look out Romeo, watch me rise
I'm Owlette, I've got Super Owl Eyes

If Night Ninja tries to throw a Sticky Splat
I'll use my Owl Claw to battle him back

If Luna Girl comes anywhere near
I'll turbo glide into the stratosphere

Na-na-na-na-na-na-na-na
C'mon and fly in my Owl Glider
Na-na-na-na-na-na-na-na
C'mon let's fly higher and higher

C'mon and fly in my Owl Glider!
