

Let's Get Silly

PJ Masks

The way to a solution is a laughing revolution
It's okay to take a chance and do a funny dance yeah
(Cha, cha, cha)

PJ Masks, let's save the day
What's that funny line we like to say?

Shoo-bee-doo-wop, bop-bee-doo, hey
Na-na-na-na, get silly (Get silly)
Shoo-bee-doo-wop, bop-bee-doo, hey
Now let's get silly (Get silly)

Hang upside down like a monkey
Bounce on a pogo stick
Spin until you're dizzy
Hiya, ninja kick
Walk on your hands
Stick out your tongue
Run a three-legged race
Let's have some fun

The way to a solution is a laughing revolution
To help us fix this mess, let's embrace our clumsiness
(Ah, oh, ah) Sing it

Shoo-bee-doo-wop, bop-bee-doo, hey
Na-na-na-na, get silly (Get silly)
Shoo-bee-doo-wop, bop-bee-doo, hey
Now let's get silly
