

Lizard Machine

PJ Masks

Cruising through the street, so cool and sleek
Watch it turn and glide
Long and green, it's a lizard machine
It's the ultimate ride!

Climbing up walls and scaling up buildings
It's so extreme!
Can dive down deep and move underwater
It's a lizard's dream!

It's the Gekko-Mobile! (Woah-oh-oohh)
It's the Gekko-Mobile! (Woah-oh-oohh)
Long and green, it's the coolest machine
That you've ever seen!

Jump into the water and he's ready to go
Swimming so fast after Romeo
He may be the youngest behind the wheel
But no one looks cooler in the Gekko-Mobile

Get out of the way, shoots a strong spray
This car can do anything
Whip its tail and peel out of sight
It can go where you've never been

It's the Gekko-Mobile! (Woah-oh-oohh)
The Gekko-Mobile! (Woah-oh-oohh)
Long and green, it's the coolest machine
That you've ever seen!

Woah-oh-oohh... Gekko-Mobile!
