

PJ Masks Are Feeling Great

PJ Masks

One, two, three, four, everybody off the floor
Five, six, seven, eight, PJ Masks are feeling great

This is how you exercise like Catboy
Catboy's jumping all around
Using super speed
He can take the lead
Everybody leaping off the ground

One, two, three, four, everybody off the floor
Five, six, seven, eight, PJ Masks are feeling great

This is how you exercise like Owlette
Flying through the air is just a breeze
You can spread your wings
Everybody wins
And Romeo says that he agrees

This is how you exercise like Gekko
Gekko always likes to catch the bus
He lifts it in the air
Puts it over there
Then he will do a crazy dance for us

One, two, three, four, everybody off the floor
Five, six, seven, eight, PJ Masks are feeling great
