Put your left foot forward  
And move it right back

Now whip your tail  
Like a super cat

Spread those owl wings  
Move em side to side

Clap clap like gekko  
With all your might!

Come on every hero  
I said come on every hero  
Come on every hero  
Time to PJ Dance

You gotta get up, get up  
Everybody let's go!  
Come on now, come on every hero  
Jump up, jump up  
Let your powers show!  
Come on do the PJ Dance  
Now hands up, hands up  
Way up in the sky!
